Sir/Madam,

This is to bring to your kind notice that we are going to arrange this year's condense course programme to provide a wide range of practical knowledge to your nursery class teachers. Mostly, various schools have congratulated us for the in-service training that we had conducted last year. Unfortunately, a number of teachers were deprived of the training due to limited seats. Keeping this in view, our council has decided to conduct another training programme during this vacation.

We have laid down the following terms and conditions for the in-service teacher trainees only.

- i) Principals/Secretaries are requested to send minimum one & maximum two teachers for training. Medium of instructions will be English Hindi & Oriya.

- iii) Everyday 10.30 AM to 4.00 PM class hours, including Government & Public Holidays, from 22nd December to 31st December, 2010. Only 60 classes will be commenced.
- iv) Teaching Materials, Aids and all other academic facilities will be provided by **Jai Bharat's College of Nursery Teacher's Training**. The trainees can take this Aids and Materials for their school.
- v) Highly experienced experts & demonstrators in nursery education will impart training both in theory and practical. So, your deputed teacher should be regular and disciplined. For this, principals/Secretaries are advised to give a relieve order to concern teacher. After finishing of the training, we will provide them individual certificate & relieve order for your official reference.
- vi) Though, our **Jai Bharat's College of Nursery Teacher's Training** faiths and stands for educational service of the society, we have no donation or remuneration system.
